

We receive a lot of positive customer feedback here at Cypress Airboats. This is one from a recent rider.

Dear Wayne:

A belated yet heartfelt thank you for taking us on the trip into the Miami portion of the Everglades Saturday afternoon. Marina and I have a wonderful time (even with the sprinkles!) and enjoyed every moment of our Everglades swamp tour. You are an excellent guide, knowledgeable and warm, and we deeply appreciated your explaining things to us so thoroughly. It was an A+ trip, the Everglades swamp tours will not soon be forgotten.

Thanks again and may you have a wonderful and successful year!
